ALBION DELIVERS THE POWER WHEN YOU NEED IT FOR:

- Cold Polyurethanes
- Sealants with aggregates
- Extension nozzles
- Terpolymers/Tripolymers
- Firestopping
- Automotive urethanes
- Polysulfides
- Butyl rubber sealants
- Two component cartridges

A standard dispensing gun generates up to **375 lbs of force**. Albion offers high-thrust cordless and manual guns that can generate up to **1,100 lbs of force**.

B26
10oz cartridge

B26Q
Quart cartridge

B-Line 26:1 Drive - 900 lbs force

FEATURES:

- Adjustable wear-compensation device — no loss in trigger motion.
- Double gripping-plate and steel trigger for increased durability.
- 26:1 thrust ratio.

OTHER POPULAR MODELS:

- B26B20 - 1-1/2 pint bulk capacity
- B26B30 - 1 quart bulk capacity
- B26S20 - 20oz sausage

846-1E
10oz cartridge

DL-45-T14E
20oz Sausage/Bulk

18V Cordless Drive - 950 lbs force

FEATURES:

- Heavy duty — all-metal gear box develops 950 lbs of force.
- High productivity — maximum speed of 23 inches per minute means the job gets done fast.
- Powered by Milwaukee® REDLITHIUM™ Battery Technology

OTHER POPULAR MODELS:

- E12Q - 1 quart cartridge
- DL-59-T17E - 1 quart bulk capacity

846-1P
10oz cartridge

DL-45-T17P
30oz Bulk

Plus Drive - 700 lbs force

FEATURES:

- Triple gripping plates for dependable dispensing.
- Double-grip recoil mechanism—handles heavier loads.

OTHER POPULAR MODELS:

- DL-59-T17P - 1 quart bulk capacity

846-1U
10oz cartridge

DL-45-T17U
20oz Sausage/Bulk

Ultra Drive - 1,100 lbs force

FEATURES:

- Easy thumb release even under extreme pressure.
- Two operation speeds — quick change to second speed for longer stroke using less power.
- Built to dispense the highest viscosity materials.
