

Ramset

T4
MAG

The Contractors' Choice

Ramset's T4MAG is the best-balanced tool available and is easy to use overhead and in tight spaces.

► ramset.com

More Power, Better Reliability

Adjustable depth of drive for optimal performance

Cooling mechanism helps avoid overheating in high-use situations

Pin jams clear easily for less downtime

Auto shut-off/on avoids drain on lithium-ion battery

3,500-shot battery capacity

Fuel and battery gauges eliminate interruptions

Scaffold hook keeps your tool within reach

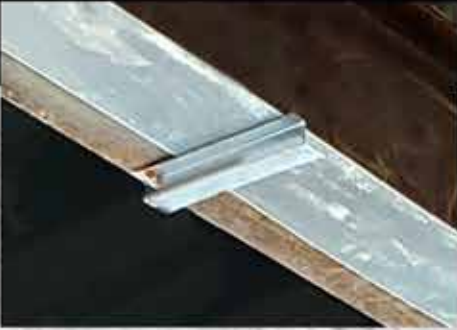

▶ Tapered Design:

Engineered to reach into deep leg tracks, corners, and tight spaces

Common Applications

Track-to-Steel

Track-to-Concrete

Deep Leg Track

Advantages

- Higher stick rate than industry standard

- Lower pushdown force and shorter travel distance decrease user fatigue

- 30% more power to work in the toughest concrete

- Reduced jamming, resulting in less downtime on the job

- Drives pins flush to create full embedment

- Superb balance leads to optimal user experience

Product Specifications:

- Part number: T4MAG
- Weight: 8.55 pounds
- Battery capacity: 3,500 shots
- Magazine capacity: 45 pins
- Maximum pin length: 1"
- Operating temperatures: 5°F - 120°F

T4MAG Tool Kit:

- T4MAG tool
- Safety glasses
- User guide and safety manual
- Two lithium-ion batteries
- One battery charger
- Magnetic pin guide for lathing disks sold separately

The Contractors' Choice

▶ TOOLS

Part Number	Product Description	Inner Pack Quantity	Case Quantity
T4MAG	T4 45-PIN MAGAZINE TOOL	N/A	1

▶ MOST COMMON FASTENERS

Part Number	Product Description	Inner Pack Quantity	Case Quantity
T4034S	T4 3/4" PREMIUM PIN W/FUEL	510	5100
T4034B	T4 3/4" BLACK PIN W/FUEL	510	5100
T4012S	T4 1/2" PREMIUM PIN W/FUEL	510	5100
T4012	T4 1/2" PLATED PIN W/FUEL	510	5100
T4100	T4 1" PLATED PIN W/FUEL	510	5100

- ▶ Collated on the point instead of on the head to significantly reduce pin jams
- ▶ Thicker shank than others, less likely to fishhook
